Welcome

to St Vincent's Catholic Primary School Auction 2025

Thank you for supporting the annual St. Vincent's Auction, our school's largest fund raiser. Over the years, your contributions have helped us to purchase essential resources, to provide exciting learning opportunities, and to support building projects such as the Creativity and Reading Rooms. The funds have also helped us upgrade the school's technology, ensuring our pupils are well-prepared for the future.

School budgets continue to be limited, so we rely on the funds raised to supply essential academic resources including textbooks and stationery. We also want to ensure that every pupil experiences the full cultural capital by working with a diverse range of artists and authors, attending interesting workshops and exploring London and beyond through a range of exciting trips and visitors. This year, we will continue to fund the much-needed renovation of our internal courtyard, allowing the youngest pupils to enjoy outdoor learning activities and play, which are vital for their health, wellbeing, and development.

We are truly grateful to everyone who has helped with the auction, whether by preparing, volunteering, donating, or bidding. Thank you for your continued support!

Thank you
Miss Marina Coleman
Head Teacher

Our history

St Vincent's Catholic Primary School is a small state funded catholic primary school just off Marylebone High Street with a long history dating back to 1868.

We provide an 'outstanding' education to a diverse international community of approximately two hundred and thirty children with a dedicated and talented team of teaching, support, and administrative staff.

Here is how it all started...

1868 - The Daughters of Charity opened the school in Beaumont Street W1 in 1868 as a day nursery for the benefit of poor milk women. They named our school after St. Vincent de Paul who was their founder. Like him, they dedicated their lives to serving the poor.

1870 - The school moved to a new address on Bulstrode Street W1 which coincided with the formation of an orphanage for girls. In 1893, the school was on the move yet again, this time to premises on Wigmore Street W1 as a day school for girls.

1935 - The construction of the current building began in 1935 and was completed in time for its opening in January 1938 when there were fifty orphans in residence.

1939 - Eighteen months later and with the outbreak of WW II, the school was evacuated to Bristol. The building survived and was used during that period as a communal meals service, as emergency accommodation, and as a public shelter.

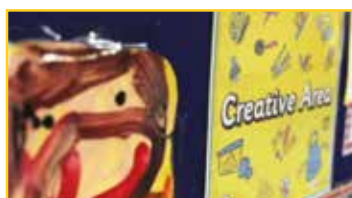

After the war, the school reopened without an orphanage. At some point, Little Barlow Street became St. Vincent

Street in keeping with the school's name. You can see the original street name today painted on the wall above the signage of the shop on the south corner of St. Vincent Street with Marylebone High Street.

2005 - In July 2005, with numbers in the order falling, the Daughters of Charity sold their convent on Blandford Street and the school building, to Westminster Council. The sisters are now located around the country, and the school is managed by the Diocese of Westminster in partnership with Westminster Local Authority.

Part of the former convent was demolished, making way for a new building which opened in Autumn 2009 to house the Sixth Form Centre for St. Marylebone Girl's School. The adjoining original dormitories building was converted into an office and teaching space for the Sixth Form Centre, while the original Chapel on the ground floor was converted and is now occupied by St. Vincent's Nursery and Reception classes.

Since 1965, our family-run practice Bass Orthodontics has specialised in providing orthodontic solutions to growing smiles. Give your child the gift of confidence and a lifetime of smiling.

Early interceptive orthodontic treatment, typically for children aged 7-9, helps prevent serious issues later. By guiding jaw development and correcting misalignments early, orthodontists can reduce the need for extractions, surgery, or lengthy brace treatment.

Early intervention can address crowding, small jaws, bite issues, and habits like thumb-sucking, promoting better function and facial balance. Dr Anton Bass is an American trained specialist orthodontist with a particular interest in early interceptive orthodontic treatment.

EARLY ORTHODONTIC CARE MATTERS

Give your child the best start

Why early assessment matters

- **Catch problems early** - like crowding and bite issues
- **Guide jaw growth** - take advantage of natural development
- **Prevent future complications** - reduce the need for complex treatments
- **Boost confidence** - early improvements build self-esteem

Each year, some of the money raised in the auction is spent on enhancing school experiences for all children. This supports families through the cost of living crisis and ensures that all children have access to a rich cultural capital throughout their time at St Vincent's. The money raised funds a range of additional learning opportunities for every child such as science workshops, author visits, drama workshops, artist visits, first aid workshops and many more. We also use the money to support experiences outside of the classroom. We are lucky to live in London and can go on many trips throughout the year to explore our city. Each class goes on a trip every half term and any cost for this, such as the workshop, is paid for by the SVPA. Each class also has one 'big trip' each year that requires a coach or is more expensive.

● NURSERY & RECEPTION TRIP TO WILLOWS FARM

Each year, Nursery and Reception classes take a coach to Willows Farm in St Albans. They get to meet some of the animals and go on a tractor tour around the farm. There is an opportunity for the children to hold some guinea pigs and feed some hungry animals on the farm, such as cows, goats, lambs and donkeys.

● YEAR 1 AND 2 TRIP TO BROADSTAIRS

Year 1 and Year 2 children take the long coach ride to Broadstairs Beach for a fun day out at the seaside. Each child gets the chance to build a sandcastle for the competition, splash and paddle in the sea, play games on the beach and, most importantly, have an ice cream!

● YEAR 3 AND 4 TRIP TO EPPING FOREST

Year 3 and Year 4 children go to Epping Forest on the coach. Here they get to explore the forest and create some art inspired by nature as well as taking part in a large orienteering trail which allows them to explore the forest further. They also get to enjoy the outdoors and play with their friends.

● WEST END SHOW

Year 5 children get to experience one of the highlights of London life and go to a West End Show! This year they are going to see the Lion King!

● YEAR 6 TRIP TO LEGOLAND

As a celebration for all their hard work throughout their time at school, especially for their KS2 SATs, Year 6 visit LEGOLAND for a fun day out on rides and rollercoasters!

All of these trips are planned to ensure that we maximise the children's cultural capital. We want our inner city children to be able to experience a range of different places and experiences to broaden their horizons and help them understand the world better.

Thank you so much for supporting us to enhance the experiences and opportunities available to our children.
